Allowances - Agraharam Inam - Class II No. 99 - Rs. 11-0-0 - Payment under the Beriz deduction system -Instructions solicited.

****

Agraharam Inam No. 99 Class II, of Havanje village, Udipi Taluk of this District has an ----- allowance of Rs. 11-0-0 payable by assignment of land revenue. One Thimmanna Bhatta, the present holder of the Inam allowance, requests that the allowance may be made payable under the beriz deduction system.

2. In the register of Jari Brahmadaya ------ Allowances maintained in my office, the Inam is shown as an Agraharam Inam subordinate to Jari Brahmadaya granted for the purpose of residing in the house in the Agraharam and performing religious ceremonies and it is put in Class II of the Register. B.P. Nos. 1559 dated 22-5-1856 and 5140 dated 7-7-1860 have been quoted in the register as the last order of the Government or Board regarding the grant. It is possible to hold that this Inam is one granted for a religious purpose. There are four classes of allowances listed up in the Register viz., I Religious Endowments, II Service Emoluments, III State

(A) pensions and IV Personal grants. In B.P. No. 5156 dated 25-11-1878 it is laid down that only payments made to religious institutions or for religious purposes can be converted into Beriz deduction. The addition of the words "or for religious purposes" raises the doubt whether the beriz deduction system is to be confined to class I or whether it can be extended also to cases in class II, like the present one, where the purpose of the grant seems to be a religious one.

I solicit instructions on the point.

For Collector.

" f. 410.

According to B.S.O. No. 54-8 only a religious inam can be converted into a beriz deduction on resumption and according to B.S.O. No. 54-1 a religious inam is one confirmed by the I.C for the benefit of, or for services to be rendered to, any religious institution. In the Sri Brahmadayam inam register no religious institution is mentioned or services specified against this item (No. 99 of Class II) but the grantee is only required to live in the Agraharam and perform religious duties.

K

Further,
The inam is described not as
'Devadayam' but as 'Brahmadayam'
The Collector is therefore informed
that the inam ~~being~~ is a personal
grant, and that the ready money allowance to the Collector of South Kanara
should not ~~be~~ be paid by Peria
deduction.

Nadigi Tk. - Havanje Vge. No. 49 of Class II - Payment by Beriz deduction - Instructions.

Read J. 5004 letter from the Collector of South Kanara

To A.S (Sett.)

The facts of the case are fully dealt with in the Collector's letter."

2. It is seen from the South Kanara Dt. Manual (1888/189) that there ~~were~~ are no land-inams in the Dt. ~~and that nearly all the money allowances of the Hindu Rajas were subsequently~~ but only endowments of money grants which are made by way of assignments of land revenue or beriz deduction. The endowment in this case is a reserved "Brahmadayam" or Jari Brahmadaya inam which means grants to Brahmans to perform religious rites by birth viz the Agrahara inams etc. This class of inams is paid either by way of assignments of land revenue or under the beriz deduction system. Vide Rule 31 of the B.P. No. 3136 dated 5/11/1878 it was ordered that payments to religious institutions or for religious purposes should either be made by beriz deduction from the Collector requisitioning the inam or that the whether the inam in question is one

granted for a religious purpose and if so, whether the allowance can be paid by beriz deduction with reference to B.P. No. 3130 dated 25-11-1878. The inam was granted mainly for the personal benefit of the holder though there is a condition of performing religious ceremonies. So this inam is not one granted to a religious institution or for religious purposes. This may be pointed out to the Collector and he may be informed that this ready money allowance should not be paid by beriz deduction.

For orders.

2/12 - Accg to para 8 of B.S.O. 54 only a 'religious inam' can be converted into a beriz deduction or resumption. By a 'religious inam' is meant accg to B.S.O. 54 (1) 'an inam confirmed by the S.C for the benefit of, or for service to be rendered to, any religious institution'. In the description of the grant at (K) - serial no. 86 - no religious institution is mentioned or any service specified but the holder grantee is only reqd to live in the Agraharam and 'perform religious duties'. The inam is described not as devadayam but as Brahmadayam. It is clearly a personal grant. The Collr may be informed accg and as at A above.
